We will have a double elimination seeded tournament that will see each team play 2 hours back to back for the first round that will move us into the second round on the first night with some teams playing 3 games (3 hours) and others only 1 game (1 hour). With the current hours that everyone is used to playing and the amount of courts we will use all the hours and courts we can for the first night of playoffs. Here's the lowdown....:

This takes us through the entire first round and 3 games into the second round, unfortunately 1 team will get a bi this week with how the playoffs work this year. Girth Quake will be allowed to come in and use one of the courts to practice if they like so they won't have a total loss not playing this week. After this week of play you will be able to see when and who you will match up against next week which will be posted on the bulletin board. If you have any questions or concerns please feel free to phone me at 249-4653 or email me! Phoning works quicker though.....
